

YETZER HATOV, YETZER HARA words and music by Joanie Calem, ©2010

One apple, two kids, what can be done?
If everyone is grabbing, *Yetzer HaRa* has won.
We also have a *Yetzer Tov*, the part that knows what's right
Sometimes *Tov* loses to *Ra*, yes sometimes we forget the light.

Yetzer tov, yetzer ra, which do we choose?
Yetzer tov, yetzer ra, it's up to me and you.

One toy, three kids.....
One game, too many friends....
Small restaurant, long wait.....
One job, five adults.....
