Words & Music: Shawn Israel Zevit

CH: We shall draw waters of joy
From the Well of Salvation (repeat)

I am confident and unafraid
For YAH, my GOD is my strength
And my deliverance

Be at rest, oh, my Soul
For GOD has been good to you
And helped you separate from indifference

Chorus

I raise the cup of my longing
And invoke Your Name
Let us separate from intolerance

repeat 1st verse

Amidst a shroud of darkness
We assert our hope is sure
For a day without separation
When Your love will eternally endure

Into the week with its challenges
Hold on to the wholeness we are
And so learn to love our difference
This will be our deliverance
If we learn to love our difference

Chorus (repeat and fade)

OoShavtem mayim b'sasson mimanei ha'yishua (2x)

*From the Havdallah liturgy
that ritualizes leaving Shabbat for the work week ahead*
